RADIMAGENET LLC Dataset Research Use Agreement

By registering for downloads from the RadImageNet Dataset (hereinafter “the Dataset”), you¹ are agreeing to this RADIMAGENET LLC Dataset Research Use Agreement (hereinafter “the Research Use Agreement”), as well as to the Terms of Use of the RADIMAGENET LLC (hereinafter “RadImageNet”) website as posted and updated periodically.

1. RadImageNet grants you permission, upon your agreeing to the terms of the Research Use Agreement, to view and use the Dataset for personal, non-commercial (e.g., academic) research purposes only. Any commercial use, sale, or other monetization, by you or your affiliates, is strictly prohibited under any and all circumstances.
2. Other than any limited rights expressly granted herein to you, RadImageNet retains all rights, title, and interest in the Dataset.
3. You may make a verbatim copy of the Dataset for non-commercial research use as permitted in the Research Use Agreement. You may not alter this verbatim copy for any reason. If another user within your organization wishes to use the Dataset, they must register as an individual user and comply with all the terms of the Research Use Agreement.
4. YOU MAY NOT DISTRIBUTE, PUBLISH, OR REPRODUCE A COPY of any portion, including the entirety, of the Dataset to anyone without express and specific **prior** written permission from RadImageNet.
5. YOU MAY NOT SHARE THE DOWNLOAD LINK to the Dataset with others. For example, if someone other than you within your organization wishes to use or view the Dataset, they must register as an individual user and agree to and comply with all the terms of the Research Use Agreement.
6. You must not modify, reverse engineer, decompile, or create derivative works from the Dataset. You must not remove or alter any copyright or other proprietary notices in the Dataset.

¹ “You” and “your” herein specifically refer to the undersigned user.

May 20, 2022

7. The Dataset has not been reviewed or approved by the Food and Drug Administration, or any other regulatory agency of the United States of America. The Dataset is being provided to you strictly and only for non-clinical, research use. In no event shall data or images generated through the use, directly or indirectly, in whole or in part, of the Dataset be used or relied upon in the diagnosis or provision of patient care. This Research Use Agreement expressly forbids the use, directly or indirectly, in whole or in part, of the Dataset in the diagnosis or provision of patient care.

8. THE DATASET IS PROVIDED “AS IS,” AND RADIMAGENET AND ITS COLLABORATORS MAKE NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE,² NOR DO THEY ASSUME ANY LIABILITY OR RESPONSIBILITY FOR THE USE OF THE DATASET.

9. You will not attempt to identify or re-identify any of the individual data subjects (e.g., patients). Identification or re-identification of individuals is strictly prohibited. Any identification or re-identification of any individual data subject shall be immediately reported to RadImageNet and may be subject to immediate termination of the use of the Dataset.

10. Any violation of the Research Use Agreement or other impermissible use shall be grounds for immediate termination of use of the Dataset. It is your duty to promptly report to RadImageNet any knowledge of any violation at any time. In the event that RadImageNet determines that you have violated this Research Use Agreement or made other impermissible use of the Dataset, RadImageNet may direct that you immediately return all copies of the Dataset and retain no copies thereof. RadImageNet may do this even if you did not cause the violation or impermissible use.

In consideration for your agreement to the terms and conditions contained in the Research Use Agreement, RadImageNet grants you limited permission to view and use the Dataset for personal, non-commercial research, as described herein. You may not otherwise copy, reproduce, retransmit, distribute, publish, commercially exploit or otherwise transfer any material from or related to the Dataset.

Limitation of Use

² This includes that RadImageNet provides no warranty of fitness or of any kind for use of the Dataset for any of the purposes expressly allowed by the Research Use Agreement, including for academic research.

RADIMAGENET LLC AGREEMENT TO SHARE DATA OVER INTERNET

May 20, 2022

You may use the Dataset for legal purposes only.

Indemnification

You agree to indemnify and hold RadImageNet harmless from and not liable in any way for any claims, losses or damages, including legal fees, arising out of or resulting from your use of the Dataset or your violation or role in violation of the Research Use Agreement. You agree to fully cooperate in RadImageNet's defense against any such claims. These terms and all other terms of the Research Use Agreement shall be governed by and interpreted in accordance with the laws of New York State.
